

An Important Invitation from the Maryland Energy Administration

To: School Facility Managers & Staff

From: Jennifer Russum, Maryland Energy Administration

Subject: Advanced Energy Management for Maryland Schools (Part III)

You are invited to participate in a free energy management workshop Tuesday, December 5th. This workshop, presented by the Maryland Energy Administration and the DOE Rebuild America Program will provide attendees with training on the best practices, tools and resources related to improving the energy performance of your schools.

Who Should Attend

- ✓ School Facility Managers and Directors
- ✓ Energy Managers
- ✓ Architects
- ✓ Staff interested in advanced energy management education

Why You Should Attend

- ✓ School-specific energy management best practices delivered by industry experts
- ✓ This workshop will be the third in a series developed by the MEA on improving energy performance in Maryland schools
- ✓ Network with your peers and share solutions to common problems
- ✓ Attendees will be eligible for future support from MEA including on-site visits from energy management experts

Additional details about this conference can be found in the attached preliminary agenda. If you can join us, please register as soon as possible so we have a proper head count for catering. Please feel free to invite others from your office. Thanks and we hope to see you there!

Sincerely,

Jenefer Russum
Maryland Energy Administration

The Maryland Energy Administration and the U.S. Dept. of Energy Rebuild America
Present an Energy Management Series

Advanced Energy Management for Maryland Schools

This workshop will be the third in a series of workshops designed to help Maryland schools improve energy performance and save money.

December 5th, 9:30am – 4:00pm
Anne Arundel County Community College

FREE one-day event for county facility managers, school staff, and others interested in superior energy management for schools.

Includes continental breakfast and lunch.

To register: Please email Tyrone Foster at tfoster@sentech.org with your full name, title, school, and contact information. The registration deadline is December 1, 2006. Please register as early as possible.

Location: Center For Applied Learning and Technology – Room 100
Anne Arundel Community College Main Campus in Arnold
101 College Parkway, Arnold, MD 21012

Directions:

From Washington or Annapolis: Take state Route 50 east to exit 27, state Route 2 north (Governor Ritchie Highway) toward Baltimore. Stay on state Route 2 for about three miles. Turn right on West Campus Drive. At the three-way intersection, the building straight ahead is the Center for Applied Learning and Technology.

From Baltimore: From Interstate 695 take exit 2, state Route 10 toward Severna Park. Stay on state Route 10 until it ends at state Route 2 (Governor Ritchie Highway) and turn left. Follow state Route 2 south about five miles. Turn left on West Campus Drive. At the three-way intersection, the building straight ahead is the Center for Applied Learning and Technology.
