AOI 2: Industry Events

Funding Opportunity Announcement (FOA)

Fiscal Year 2025 Program

****THIS FOA IS FOR AREA OF INTEREST 2: INDUSTRY EVENTS UNDER THE FY 2025 MARYLAND OFFSHORE WIND SUPPLY CHAIN INVESTMENT PROGRAM****

Area of Interest (AOI) Description : The Maryland Energy Administration (MEA) is excited to announce *AOI 2: Industry Events* of the Maryland Offshore Wind Supply Chain Incentives Program (the Program) for Fiscal Year 2025. The Program provides **grant funding** on a **non-competitive basis** to support new or existing businesses to offset costs associated with offshore wind and marine technology industry event attendance.

Applications will be accepted on a first come-first serve basis until March 15, 2025 or until all program funding has been awarded.

MEA will consider applications from new or existing emerging businesses entering the offshore wind industry.

Type of Program:

Non-competitive

Application Deadline: **Applications will be accepted on a first come-first serve until 5:00 P.M. EST, March 15, 2025 or until all program funding has been awarded, whichever occurs first.**

Anticipated Funding: MEA anticipates \$250,000 for Fiscal Year 2025 to be available for *AOI 2: Industry Events* of the Program. MEA will provide financial incentives up to \$5,000 per offshore wind or marine technology event, limited to one event per fiscal year. Applicants shall not receive more than one grant award in FY 2025.

Eligible Applicants: Non Profit organizations, government and public institutions and emerging businesses are eligible to apply under the Maryland Offshore Wind Supply Chain Incentives Program. Business applicants must fit within the definition of an “Emerging Business.” For purposes of this program, an “Emerging Business” is defined, pursuant to Md. Code Ann., State

Gov't § 9-20C-01(e), as “a business that is at least 51 percent owned and controlled by an individual or individuals who are certified to have a personal net worth, as defined in §14-301 of the State Finance and Procurement Article, that does not exceed \$6,500,000 as adjusted each year for inflation according to the Consumer Price Index.”

Eligible Activities: Funding under AOI 2 is provided to awardees to offset the costs of attending offshore wind and marine technology events across the United States and its territories. Funds are ineligible for use for events located **outside** the United States. Please refer to the [ExportMD Program](#) from the Maryland Department of Commerce for funding to attend international events.

Applications must be submitted at least 90 days prior to the event.

Funds may be used to offset expenses such as:

1. Event registration fees,
2. Exhibition fees,
3. Scheduled Travel costs and,
4. Lodging costs

Funds **may not** be used for expenses related to food and drink. A detailed list of eligible and ineligible expenses can be found as Attachment A of this FOA.

Minimum Criteria:

To be eligible for the Program applicants must reach the minimum criteria listed below.

1. Be a certified emerging business or non-profit organization in the state of Maryland, participating in, or preparing to participate in, the offshore wind supply chain and workforce.
2. Be attending an industry relevant offshore wind or marine technology event in the

Review Process: Applications for Program funding will be accepted on a rolling basis and will be reviewed bi-monthly. Applicants will receive a notice of approval or denial within 90 days of submission. Applications will be evaluated on all evaluation criteria, as detailed in this Funding Announcement.

Applications are reviewed for completeness. Complete applications are checked against the minimum criteria and if found to satisfy the criteria, Applicants will be notified of their application approval status.

Once approved for a grant award, MEA will issue a grant award indicating a one time payment

after the date of the industry event. Please note that payment for all awards are issued by the Comptroller of Maryland and payment is anticipated to take 8-12 weeks. MEA recommends all program participants sign up for the [Comptroller’s Electronic Fund Transfer \(ETF\) Program](#). Applicants must contact the Comptroller if there is any issue with their award payment.

Award Formula: MEA will provide up to \$5,000 per eligible offshore wind or marine technology event. Program participants shall not receive more than one award per program Fiscal Year.

Partial awards: Partial awards are possible under the Program. If insufficient funds are available to fully reimburse the eligible activities allowed under the Program, the applicant will be given the opportunity to receive the remaining budgeted funding. If the applicant agrees, then the grant award will be funded with the remaining funds. If the applicant does not agree, then the offer is made to the next approved award in order until all funding has been expended.

Application Process: Applicants must submit a request for funding ***90 days prior*** to the attendance of the event, but eligible applicants will not receive funding until ***after*** the event has taken place. To submit an application, all applicants must submit the required application documents listed below via the online portal Jotform.

Required Application Documents: Applicants must complete a Maryland Offshore Wind Supply Chain Investment Program AOI 2: Industry Events Application Form via the online portal JotForm.

The application package must include the following components:
