

Meeting Agenda

Transmission Modernization Workgroup

Meeting #2

March 24, 2026 | 11:00 am - 1:00 pm

Location: Virtual

Meeting Link: meet.google.com/hep-totm-ict

Meeting Purpose: Delve into alternative transmission technologies (ATTs) and financial incentives.

Meeting Objectives: Examine grid-enhancing technologies (GETs) and high performance conductors (HPCs) types and applications in depth. Discuss related state and federal policies and programs. Consider shared savings and other incentive mechanisms.
