Section 5.12. Illegality.

If performance of any obligation under any of the Financing Documents would require the performing party to violate the Law, then the performance shall be reduced to the level permitted by Law, and if (1) any provision of this Agreement, other than provisions requiring the Borrower to pay interest, principal, principal and interest, or any other of the Obligations, operates, or would operate, to invalidate any part of this Agreement, then such provision only shall be void as though not set forth in this Agreement, and the remainder of this Agreement shall remain in full force and effect, (2) any provision of this Agreement requires the Borrower to pay interest, principal, principal and interest, or any other of the Obligations is held to be invalid, then at the option of the Administration, the entire unpaid sum under the Loan, with all unpaid interest accrued thereon, and all other unpaid Obligations shall immediately become due and payable.

The Administration shall have the continuing and exclusive right to apply or reverse and re-apply any and all proceeds of collateral to any portion of the Obligations. To the extent that Borrower makes a payment or the Administration receives any payment or proceeds of the collateral for the Borrower's benefit, which are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver, custodian or any other party under any bankruptcy law, common law or equitable cause, then, to such extent, the Obligations or part thereof intended to be satisfied shall be revived and continue as if such payment or proceeds had not been received by the Administration.

Section 5.18. No Third Party Beneficiaries.

Nothing in this Agreement, express or implied, is intended to create or confer upon any Person, other than the parties to this Agreement and their respective successors and assigns, any rights or remedies under or by reason of this Agreement or to constitute such Person a third party beneficiary of this Agreement.
