

The **Maryland Natural Gas Voucher Program** provides financial assistance for the purchase or lease of natural gas vehicles. Vouchers will be used to reduce the purchase price up to a maximum of \$20,000 per vehicle based on GVW.

**Now accepting applications on a first come first served basis.**

**Application deadline: 5/7/13**

**Program webpage: [energy.maryland.gov/Transportation/natgas](http://energy.maryland.gov/Transportation/natgas)**

### ***Eligible Vehicles***

- New on-highway natural gas vehicles which will be registered in Maryland.
  - Vehicles that have been previously registered (in any state) or paid for by the Motor Carrier (other than a vehicle down payment in order to receive a voucher) are ineligible.
  - Vehicles must be a commercial, non-profit agency or public fleet vehicle.
- Vehicles must be selected from the Eligible Vehicle Program Guide
- Leased vehicles
- Pre-owned electric trucks are not eligible.
- Public funded transit agencies are not eligible.

### ***Voucher Provisions***

- Vouchers will be offered for up to \$20,000 per vehicle
- Limit 5 vouchers per Motor Carrier
- Motor Carriers are required to operate vehicles for 3 years
